Want to make a DIFFERENCE? Let us help you get started today!

Description

We have **immediate openings** for Care Team Partners to meet the increasing need for care in the Fredericksburg area. Join our Care Team Partners who are making a difference every day in the lives of so many who need assistance in their homes.

Credentialing assistance for personal care – provided at no cost

Full and part time hours are available for days, evenings and weekends and overnights. Minimum hours of 15-20 are required per week. Overtime is paid at time and a half.

Virginia Home Care Partners' Mission:

Love people, Journey together, Make a difference!

At Virginia Home Care Partners, **we believe that our partnership with our employees is as equally important as our partnership with our clients**. Our Care Partners (Caregivers) are a key member of our Care Team providing trusted, compassionate in-home care. We invest in you, equipping you for success by combining your dedication and passion for making a difference in the lives of others with training, support, and continuing education.

Responsibilities

- Hands-on care with activities of daily living
- care coordination
- nutrition – meal planning and cooking
- shopping
- light housekeeping
- organizing
- arranging appointments
- record keeping and documentation
- transporting clients
- companionship with a trust relationship
- client advocacy

Qualifications

Care Partners (Caregivers) are thoroughly screened and must meet all our guidelines for employment. We perform a comprehensive state and federal background investigation, professional and personal reference checks, drug screen and DMV record check (must have a clean driving record and background check). A valid driver's license, personal vehicle with current registration and auto insurance is required.

All Care Partners (Caregivers) are required to complete our orientation and training before directly serving clients.

Availability for four of the eight weekend days per month are required.
